

Pennsylvania Dutch Council Volunteer Talent / Resource Survey

The Pennsylvania Dutch Council is proud to operate two of the finest camps in the Northeast Region. It takes a significant amount of man-power, materials, and financial support in order to maintain our facilities. We are attempting to create a database to help us be better stewards of our time and resources. Please consider what you can do to help us ensure that each camp is taken care of so that they are clean, safe, and in good repair for current and future generations of Scouts.
