2010 - *"The Sail School team exceeded our expectations in every way imaginable. Having such a large crew of 32 scouts & adults was a bit of concern but your team handled it famously. The sailing instruction was top notch; opportunities for hands on skills development were endless, the food was great and the itinerary was the perfect mix of high adventure and flexibility - Sailing, Snorkeling, Scuba and Sightseeing. Your program is far superior to any other program we've encountered."*

George Most – Asst. Scoutmaster, BSA Troop 342, Eden Prairie, MN.

2009 - *"I sailed with our troop four years ago with Sea Base and intended to repeat the trip. Sea Base was booked so I followed up on a flyer for Sail School Bahamas. It couldn't have worked out better! The sailboat was ideally suited, the food was fantastic (always important). The trip had a perfect balance of learning, teamwork, challenge and fun all in an extremely safe environment. I recommend this trip to any group looking for a special high adventure trip that creates lifelong memories."*

Mike Reiels, Scoutmaster, BSA Troop 246, Brookfield, WI.

2008 - *"Our experience with Sail School Bahamas exceeded all expectations. The instruction was thorough, the food was sensational and the sailing was terrific. There was a good blend of sailing, snorkeling, and on-shore activities. The sailing weather and water are beautiful. Our troop is eager to go back, and many are hoping to try the advanced sail and SCUBA week."*

Mike Moore, Group Leader, BSA Troop 375, Virginia Beach, VA.

2007 - *"I am an analyst by profession, a long time Navy Reservist and have been around boats most of my life. The program is thorough, yet flexible. Safety was at a very high level at all times. In short, we had a great time and I would most certainly trust Sail School Bahamas to provide a quality, safe & educational experience for your group."*

Wayne Gordon, Scoutmaster, BSA Troop 451, Parkton, MD.
