Out Island Adventure

You think Survivor is tough? Check out Big Munson. The Out Island Adventure combines camping on a remote 100+ acre island, snorkeling on pristine coral reefs, trolling for sportfish, kayaking through red mangroves, and exploring the flora and fauna of Big Munson Island. You will wade ashore on Big Munson Island carrying all the food, water and equipment used during your adventure in a rugged camping setting. Powerboats will take you snorkeling and fishing on selected days. A program mate will remain with you for the duration of your trip to assist you in appreciating this unique environment. This is a true high-adventure program, one that combines physical challenge with excitement and adventure.
