

2012-2013 Venturing Monthly Program Forum

PA Dutch Council | Boy Scouts of America

VENTURING® · BSA

When: 6:30 PM
1st Tuesday of the month

Where: J.E. Mack
Training Center

Who Should Attend?

All adult crew leaders, i.e., Advisors, Associate Advisors, adult Sea Scout leaders, and crew committee members. On occasion, youth officers and venture patrol leaders should also attend. Venturing Advisors can invite their crew presidents and other officers, when appropriate, to Venturing forums where subjects are offered that would apply to them like how to conduct an open house, crew review, leadership skills course, superactivity, etc.

Why should I participate?

These forums should be considered supplemental training to the Venturing Leader Specific Training and provides an great opportunity to continue building leader skills. Each month, forum participants will receive helpful supplemental training activities and ideas that enhance the crew leaders' abilities to succeed. Information about upcoming district, council and NER Area 6 Venturing events, training, campaigns, and priorities will also be shared. The forums also give leaders an opportunity to share their experiences with each other.
