3. ALL adults must complete Youth Protection Training and PA Background Clearances before arriving at camp. PA Background Clearances must be submitted online here <http://padutchbsa.org/act15/>

## OTHER COMMON QUESTIONS

1. When will they find out Camp Den/Campsite Assignments/Check-In Time?
  - a. Information will be in Confirmation email sent by the first week of June
2. How will the program be structured?
  - a. For daily programs, Scouts will be divided into age group based Dens (Tigers, Wolves, Bears, Webelos). These Dens will be mixed groups with members from different packs. Dens will move through camp and get specific Age-Appropriate programs when they get to different program areas.
3. To schedule a Camp Promotion Presentation
  - a. Contact Ben at [ben.wohlberg@gmail.com](mailto:ben.wohlberg@gmail.com)

1. **Who needs a medical form?** - All youth AND adults coming to camp must have a current BSA medical form per BSA policies.
2. **What medical forms are needed?** - This varies by the type of camp you are attending:
  1. Day Camp - Medical Form Parts A & B
  2. Weekend Resident - Medical Form Parts A & B
  3. Week-Long Resident Camp - Medical Form Parts A, B, & C (Doctor's Physical)
3. **How long are our medical forms good for?** - A BSA medical form is valid until the last day of the month one year from when it was first obtained. So if a Scout got a physical on July 5, 2016, the form is good until July 31, 2017. Again, everybody who camps with us needs a medical form.
4. **Where can I get the current and correct BSA Medical forms?** - To get fillable .PDF version of the current BSA medical form go to [BSA Medical Forms](#). After filling in the form, save it to your computer with a different file name.
5. **What if someone in our group has a Special Dietary Need?** - The food service staff at Camp Mack do their best to accommodate special dietary needs if they know about them ahead of time. Please have anyone with a special dietary need fill out and submit a [Special Dietary Needs](#) form **at least two weeks prior** to camp attendance.
6. **When do we need to turn in our Medical Forms? Because of insurance we can not get a physical until later.** - Having current medical forms for everyone in camp is important for everyone's safety and is extremely important in the event of an emergency. Keep the original forms at home and submit a copy! At the absolute latest, forms must be turned in the day of arrival. Anyone without a form will not be allowed to stay in camp longer than 24 hours, may not take a swim test, and may not participate in any strenuous activities. Best case scenario, forms are all mailed to Camp Mack two weeks prior to arriving.
7. **What immunizations are required/Will my child be barred from participating if we object to immunizations for medical/religious/philosophical reasons?** - The BSA's Immunization policy can be found here: [Report of the Immunization Task Force](#).
