# *Letter to the Parents*

Welcome to a great summer adventure of being a Cub Scout parent! As a Cub Scout your child will have the opportunity to grow, learn and have fun doing Cub Scout activities!

The Summer Passport program was designed to give you, your Cub Scout and your family an idea of the Cub Scouting program! Within this passport you and your Scout will find four different themes. Each theme was created to give your Scout a better understanding of himself and his surroundings. We are very aware that the current economy may create challenges for some households. With that in mind we have worked hard to provide a program that may be accomplished with little to no cost.

To achieve the “**Awesome Cub Summer Award**,” your Cub Scout must complete 16 activities. If your Cub completes 20 of the activities he will earn the “**Sensational Summer Award**” and for those who complete the entire passport we will have a special “**Outrageous Cub Summer Award!**” If available have your son tape, color, stick, draw, or stamp something from the activity in the box provided. Each level has a different patch associated with it.

Once your son has completed his activities please fill out the last page, tear it off and send it to:
