- These are for full day admission tickets for any Hersheypark In the Dark Dates
 - October 16 – 18, 23 – 25, 30 – November 1
- There is no limit to the number of tickets you can purchase.
- If you do not get your confirmation email for some reason after your ticket purchase, Hersheypark staff can look up your order by the credit/debit card number that was used to purchase the tickets and print them off for you at the park. Also you might want to check your email junk folder, a lot of the emails from Hersheypark end up in the junk.
- You are purchasing the tickets directly from Hersheypark, not from the Boy Scouts. You are just using [Our link](#) into the Hersheypark website and the special coupon code to get your discount. If you encounter problems with the ordering process, you must contact Hersheypark at 1-800-HERSHEY or 717-534-3900 during regular office hours. You can also email them at onlineticketshelp@hersheypa.com.
- **You do not have to be a Boy Scout** to use them even if they say something like “Boy Scout Council” on them, that just indicates who they were purchased through. The tickets are good for anyone who buys them.
- You can order from your phone and then have tickets printed at Ticketing Services as you enter the park. They can also be scanned at the gate.
 - **Ticketing Services is located at the Tram Circle**
- You do not have to be a Pennsylvania resident to get these tickets.
- You do not have to be a US resident to buy these tickets.
- You may be asked to enter a name to put on the ticket – do not worry, that ticket can be used by anyone, they do not check IDs at the gate. You can buy tickets for others as well and they will be able to use them without any trouble.
