2017 Council Camporee

May 5-7, 2017

Scouts,

I am pleased and excited to announce our 2017 Council Camporee. It will be held on May 5-7 when we are expecting over 1500 Scouts and leaders to converge on Long Park in Lancaster, PA. This is a great opportunity to participate and see Scouting in action. It is sure to be a fun, interesting and a memorable scouting experience. The theme of the Camporee is TIME TRAVEL- Facts, Theories, Paradoxes, and Possibilities.

Proposed activities being planned are, Building a Pyramid, Competing in a Chariot Race, Make a Mummy, Shoe a Horse, Build a Viking Ship, Play in a Rock N Roll Band, Milk a Cow, Build a Cabin or a Hovercraft and other fun activities. More information on the entire event can be found in this Guidebook. In addition, we are going to have a very entertaining camp wide program on Saturday night and each of you will be a participant.

On behalf of the PA Dutch Council, I would like to thank the Camporee Committees, The Long Park staff, and the City of Lancaster for their assistance in helping organize, plan and coordinate this event. It is my hope and the hope of the Camporee Committees that each Scout will encounter a meaningful experience this weekend.

BOY SCOUTS OF AMERICA™
PENNSYLVANIA DUTCH COUNCIL

2017 "TIME TRAVEL" CAMPOREE VOLUNTEER SIGN UP

To ensure the Camporee runs as smoothly as possible we are in need of volunteer assistance. Some of the areas we require assistance with are; Planning Committee Members, Setup on Friday May 5th, Activity Station Leaders, Merit Badge Counselors, Cleanup and Teardown on Sunday, May 7th. As well as other areas, and situations as they may arise. So please consider helping the Youth that we all serve, and offer your help. Thank you.

[illegible]

One final note. For a majority of youth in the Pennsylvania Dutch Council this will be their Jamboree. This will be the biggest event they ever get the chance to participate in. Please help the Camporee Staff as we work to make this a "WOW" experience for ALL the youth we serve.

Thank you

BOY SCOUT TROOPS

How would you like to grow the size of your troop?

It's fairly simple, and the Camporee can help you.

Invite a pack that is attending the camporee on Saturday, to have Lunch and Dinner with you. Let the Cubs and their parents meet the Scouts & Adult leaders. It's up to each unit whether to charge the Cubs & parents. Or just treat them to two meals.

Security

This Camporee will be held at Long’s Park, which is a public park owned by the City of Lancaster. We have rented the entire park, BUT, since it is a public park it will be opened to the public. As with most public places there are problems from time to time, and Long’s Park is no exception. Because of this, it is important that we establish certain SECURITY rules, and that we must insist that these rules be adhered to by everyone.

- 1. Any and all directions given by Camporee Staff, Camporee Security Staff, Long’s Park Staff or Lancaster City Police must be followed. Failure to follow these directions could result in dismissal from the Camporee. If anyone is dismissed for this reason, NO REFUND WILL BE GIVEN.
- 2. All youth must follow the BUDDY system.
- 3. DO NOT bring valuable personal items.
- 4. Suspicious activity must be reported to Camporee Security Staff as soon as possible.
- 5. Youth should not leave Long’s Park, unless asked to do so by their unit leader. (There should be no reason for youth to be at the Park City Mall.)
- 6. Vehicle traffic must be allowed to travel through the park during normal park hours. Extreme care must be taken when youth are crossing any roadways.
- 7. The Camporee Security Staff will have roving patrols all day and all night. Again, if you have any concerns please share them with the Camporee Security Staff.

On the following page is a “Souvenir Pre-Order Form”. Prices have not been set as of January 30, 2017. We included this page now, so you could see what souvenir items may be available. **This list could change.** As soon as we receive all pricing from vendors we will publish a final list of available items with prices. **There will not be a trading post at the Camporee.** If you desire a souvenir from the 2017 Time Travel Camporee it must be pre-ordered.

TIME TRAVEL

Facts, Theories, Paradoxes, Possibilities.

There will be a lot of events and stations to see and do. We've broken it down into 4 main areas, each focusing on one Era of TIME. Era's are named Mummies, Toga's & Firecrackers - King of Thrones - Hear & Now - Return to the Future. In each area there will be events for scouts to do. Some stations may only be for Boy Scouts/Venturers, others just for Cubs, and others will be for scouts of all ages. To keep a balance in the number of stations in each area, there may be some crossing over of some Era's into other areas. This will help to keep an even ratio of scouts to activities, giving scouts a full day of activities to keep them engaged.

Following is a list of some of the activities and programs that we plan on having at the event. As we work through the list of events, we will drop some, and add others in their place. We are constantly looking for ideas that can improve or add to what we already have. A final list of stations and corresponding map will be published closer to the camporee date.

The stations/activities listed may or may not be the actual stations at the camporee, as well as many additional stations being added as we move forward
