Scoutmaster and Assistant Scoutmaster Training is divided into two courses. This "Specific" course concerns troop operations and working with the boys. The "Introduction to Outdoor Leadership Skills" (IOLS) course teaches the skills required for the Scout, Tenderfoot, Second Class, and First Class ranks.

The goal of Scoutmaster Specific training is fourfold. All participants who finish the sessions should:

1. Have the confidence that being a Scoutmaster is a manageable challenge.
2. Understand that they have abundant available resources.
3. Know that the structure of the Boy Scouts of America ensures that they are part of a supportive team working to deliver the promise of Scouting to the youth of America.
4. Have a short action plan to apply what they have learned.

Those taking the course should bring their Scout Handbook, Scoutmaster's Handbook (if you have one), a notebook, and a pen/pencil. **Participants should bring a lunch.**

Participants should bring a COPY of parts A & B of their BSA Medical Form with them.
Field uniform ("Class A") is appropriate attire.

You will have fun, learn about resources, gain confidence, and become a better leader.

By completing this registration form, you are registering for the 1-Day classroom session ONLY.

If you intend to complete the "Introduction to Outdoor Leadership Skills" (IOLS) course, you MUST submit another registration form specific to those trainings.

The course director will share additional information with you shortly before the course - probably by email. If you have not heard from that person by the Wednesday before the course, please contact them.
