

**Week-Long Resident Camp Full Week**

**Bashore Field Trip Permission Slip**

Dear Parent/Guardian

All Second-Year Webelos who attend a Full Week Week-Long Resident Camp session at Camp Mack have the opportunity to visit Bashore Scout Reservation, Pennsylvania Dutch Council's Boy Scout Resident Camp, for an afternoon field trip. This is a great way for the boys to see what is in store when they cross over into Boy Scouts. Webelos will be given a tour of the camp by Bashore Staff Members and get to check out the various activities the Boy Scouts get to do at camp. Please sign below to give your consent if your son wishes to participate in this field trip.
