

Pennsylvania Dutch Council Summer Camp Refund Policy

Refund Policy: Due to commitments made by the Council for the hiring of staff and purchasing of program supplies, camp materials, and food for summer camp, refund amounts are dependent on time of submission and reason for refund. The \$25 per patrol site application fees are non-refundable. The \$25 deposit per Scout due by March 15 is also non-refundable. No refunds or credits will be issued AT camp. Refunds will be issued to the unit via check. No refunds will be issued for unsupported requests.

Requests for full refunds (less \$25 deposit fee) will only be accepted for medical illness or injury to the Scout, medical illness or injury to an immediate family member, or mandatory attendance to summer school during the scout’s scheduled summer camp week. All requests for refunds for these reasons must be submitted **prior to August 31** with supporting documentation to the PA Dutch Council Service Center (by email: daniel.hanson@scouting.org, or by mail: 630 Janet Avenue, Lancaster, PA 17601). Written refund requests should be submitted to the Council Service Center and should include the Scout’s name, unit number, date of attendance, reason for refund, and documentation to support refund request.

Partial refund requests for all other reasons will be issued based on the date of submission and must be made in writing to the Service Center prior to the dates below:
