

# Scouts Donation Drive

The Goodwill Scouts Donation Drive is an opportunity to support your unit by collecting donations and helping Goodwill's mission, all the while earning a badge. It is through the helping hands of our community that we are able to fulfill our mission in serving those with barriers and disabilities in life.

## Goodwill's Mission

Our mission is to support persons with disabilities and other barriers to independence in achieving their fullest potential as workers and as members of the broader community.

Goodwill helps persons with disabilities as well as people who are at an economic disadvantage, or may lack education or work experience. Additionally, we provide job skill training to youth and seniors.

## The Process

- Each unit member must collect four bags (13 gallons) of donations to earn a badge.
- The unit sets the dates. It can be for a week or two or a month. The unit decides the amount of time to spend collecting donations and the day they wish to donate.
- The unit is paired with a Goodwill Donation Center. All unit members must donate to that location on the designated date, either as a unit or individually.
- When the unit brings the donations to the Goodwill Donation center, each Scout must ask for a green scouts donation receipt.
- The unit leader collects receipts and keeps tally of bags collected for each unit member.
- Troop leader sends Goodwill a tally sheet once the drive is over. If unit is raising funds, the unit leader must also mail or scan and email scouting receipt.

## We cannot accept or resell the following items:
