

Scouts Donation Drive

The Process

Thank you so much for your interest in Scouts Donation Drive with Goodwill! It is through the helping hands of our community that we are able to fulfill our mission in serving those with barriers and disabilities in life.

Our donation drives are pretty simple. Each scout must collect 4 bags (13 gallon size) of donations to earn a badge. We also have the option of fundraising for your troop. If you choose to participate in the fundraiser, you will receive \$25 for every set of 25 13-gallon-size bags of donations your entire troop collects. To participate in the fundraiser, you must elect to do so at registration.

The process:

- Each unit member must collect four bags (13 gallons) of donations to earn a badge.
- The unit sets the dates. It can be for a week or two or a month. The unit decides the amount of time to spend collecting donations and the day they wish to donate.
- The unit is paired with a Goodwill Donation Center. All unit members must donate to that location on the designated date, either as a unit or individually.

- When the unit brings the donations to the Goodwill Donation center, each Scout must ask for a green scouts donation receipt.
- The unit leader collects receipts and keeps tally of bags collected for each unit member.
- Unit leader sends Goodwill a tally sheet once the drive is over. If unit is raising funds, the unit leader must also mail or scan and email scouting receipt.

Registration Form

In order to register your unit please fill out this form and email it to Diego Sandino at drives@yourgoodwill.org

Unit Leader Address: _____

Unit Leader Contact Phone number: _____

Unit Leader email address: _____

Number of unit member in the unit: _____

Unit number: _____

Unit level: _____

County of Unit: _____

Does your unit wish to participate in the fundraiser: _____
