Thank you for choosing Bashore Scout Reservation!

② Aquatics... At the lake were awesome at the Polar Bear Plunge.  
Cheese... kept an eye on everyone, he is very well organized.

③ Archery.... I cannot say enough <sup>awesome</sup> good things about Dylan, he helped myself with learning about bow & arrow shooting. My one leader left her shirt at the range he had someone personally walk her shirt to our campsite that night.  
He was very thorough making sure the boys followed the rules.

④ Bmm - Olivia was our scouts leader.... she was amazing, our scout knew where to go every day communication was awesome. She was always there & ready to answer my questions.

⑤ Camp Craft: Emergency Prep. The Pre Reg. was not great carrying it to 1<sup>st</sup> class & then to the next 5 classes. Too heavy for little scouts to carry.

⑦ Handicraft... very organized. I worked with Emily 1<sup>st</sup> period on Wednesday & 2<sup>nd</sup> period with Tony. Very experienced. Tony was great w/ leatherwork.

⑧ Nature & Science... Chemistry was boring need more hands on stuff. →

Michelle was sweet & caring

⑧ cont. the building, the animals awesome experience to see the animals around the area.

Environmental Science staff at 5<sup>th</sup> period was very patient, a few scouts were cursing a lot during the program.

⑨ Rifle.... Kudos to Charlie for his patience & kindness towards the scouts. He's very sweet leader.

⑭ Ranger.... who knows the Ranger? Honestly put him in another color shirt. We asked for help and we seemed to be ignored. We offered to do the labor.

⑰ Food.... Pizza, tacos, Panca'kes... ect. I understand healthy but Pork Ribs?? Bagels & Cream cheese.

⑳ Resica falls was my first camping experience, compared to them you get a 99% (they failed) the scouts here kept things cleaner than Resica. Maybe it's the leaders that trained the scouts or ~~the~~ your staff that kept things clean. Either way it was nice to not walk around trash.

TENTS

Need more  
ones!  
We got  
more!

㉓ You have an incredible staff whatever you are doing and how you are treating them keep it up, Please give them more than a high five from Troop 414!
