BALOO - Basic Adult Leader Outdoor Orientation for Cub Scout leaders introduces participants to the skills needed to plan and conduct Pack outdoor activities, particularly pack camping. At least one adult per pack must complete BALOO training for the unit to conduct an overnight Pack camping trip. At least one adult taking Webelos den camping must have completed BALOO. This hands-on course is aimed at parents and leaders with no previous camping experience. It includes overnight camping.

This course has an online pre-requisite course that should be completed before attending. It is at my.scouting.org > My Dashboard > Training Center > Expanded Learning > BALOO

Course registration is at 8:00 am Saturday. Participants will camp in tents outside weather permitting. Course runs to 12 noon Sunday. Chicken-based foil packet lunch is provided; it can be personalized to vegetarian. Saturday dinner and Sunday breakfast are also provided.

Equipment list will be provided after registration. Much of the course will be outside.
