Location: **Camp Mack**

Time: **Registration: 8:00AM Saturday** **Course Sessions: 8:00AM Saturday – 12 noon Sunday**

The training is designed to teach you the outdoor skills needed to help the youth move through Scout, Tenderfoot, Second Class, and First Class ranks.

This course will run like a troop in that participants will be formed into and participate as patrols including selecting a Patrol Leader. A staff member will serve as the Senior Patrol Leader. A Scoutmaster and several Troop Guides will provide instruction throughout the weekend. Field (Class "A") uniform is recommended.

Check in for the course will be 8:00am Saturday morning. Course ends approximately lunchtime on Sunday.

The patrols will be responsible for two meals over the course of the weekend: Saturday dinner (a potluck) and Sunday breakfast. Staff will provide Saturday lunch and cracker barrel. Patrols will be responsible for planning their two meals, purchasing food (some cost reimbursed), and bringing equipment to prepare those meals.

Participants are responsible for their own personal gear including tent, sleeping bag, personal hygiene items, and mess kit. In addition, they should bring their current Scouts BSA Handbook, notebook, pencil/pen, and a compass.

A week or two before the course, participants will receive an email with contact information for their assigned patrol as well as more course information. Patrols should have a conversation about a patrol name, cheer, and flag as well as any extra equipment before arriving Saturday morning.

If you do not receive that information by Monday before the course, please contact the course director.

Participants should bring a COPY of Parts A&B of a BSA Medical Form with them as well as current Scouts BSA Handbook.

You will have fun, learn about resources, gain confidence, and become a better leader.
