Station Ideas

Stations that fit right in with things Cowboys and Cowgirls would need to know/do:

Fire Starting
Roping / Knots
Shelter Building: Tents/Flys
Compass / Navigation
Bridges / Crossing Streams
Sawing: Making fire wood / a broken wagon part
Cooking on the Trail
Weather on the Trail
First Aid on the Trail
Animal Tracks Identification
Marksmanship
Scaling Cliffs / Rough Terrain with Gear

Start thinking about your Troops Stations. We would like to have your ideas by the October Roundtable and your station write ups by the November Roundtable.

Send your ideas to:
