March 2020

Dear Scouting Supporter,

Wunita Gokhos Lodge is excited to announce the second annual Brotherhood 500, an Adult Pine Car Grand Prix, to be held on Sunday, April 19, 2020 at Columbia Kettle Works in Columbia, PA! The race will capture all of the excitement of pine car racing, while raising funds for camp improvements and promoting fellowship among the many adult volunteers and friends of the PA Dutch Council. Your attendance at the Brotherhood 500 will directly impact our ability to deliver an outstanding program to the youth members of our Council in both Lancaster and Lebanon counties.

The Brotherhood 500 Pine Car Grand Prix gives adult supporters of the PA Dutch Council the opportunity to relive the fun and excitement of their child's pine car race, but puts them in the driver's seat! Parents are encouraged to race their child's already constructed car or build the car of their very own dreams. But most of all, we hope you'll enjoy the company of friends, both old and new, in a welcoming atmosphere while enjoying craft beers and great food.

Wunita Gokhos Lodge, the Order of the Arrow's (OA) local chapter, functions as Scouting's National Honor Society and is proud to organize the 2020 Brotherhood 500. Events like this one support the OA's purpose to provide leadership opportunities to youth leaders in our community and service to both of our Council's camp properties. Proceeds from this year's race will support improvements to OA ceremonial circles at both Camp Mack and Camp Bashore.

Whether as a racer, sponsor, or spectator we're sure to achieve great results with your support! We hope you will share the enclosed flyer with your family and friends as we think many of them will want to join in on the fun of pine car racing and enjoy the event hosted at Columbia Kettle Works this April.

Thank you in advance for your consideration and we hope to see you at this year's Brotherhood 500!

Yours in Service,

Wunita Gokhos Lodge

About the Pine Car Grand Prix

For more than 65 years, boys have turned a block of pine wood, four plastic tires and metal axles, into race cars – some fast, some not so fast.

For many adult men, their favorite memory was the pine car derby racing. The Brotherhood 500 Pine Car Grand Prix gives adult participants the opportunity to relive the fun and excitement of building their own cars and racing them on real pine car race tracks. They get a chance to build the car they wish they had years ago as a youth – maybe even settle some scores.

But most of all, this will be a fun event in a friendly atmosphere with friends and coworkers while enjoying craft beers and great food.

Proceeds from this event will support improvements to OA Ceremonial Circles at Camp Mack and Camp Bashore.

Trophies Awarded

Impressive trophies will be awarded for the Fastest, Slowest, Best Design, Best Corporate signage, and additional categories.

There are two basic racing divisions

Stock Car – Stock Cars will follow the traditional rules and requirements for the Pinewood Car racing.

Outlaw – The Outlaw division cars must meet three basic rules: must fit on the track, must be gravity propelled, cannot cause any harm.
