

May 17, 2021

With the recent changes made by the CDC and the Pennsylvania Department of Health regarding masks, we wanted to update you on the policies of the Pennsylvania Dutch Council.

- When visiting the council office and scout shop we would ask that you continue to wear a mask while interacting with our professional and office staff. Please be prepared to wear your mask when entering the building.
- If you are wondering what your Pack, Troop, or Crew should do, we would recommend that you follow the guidelines set forth by the CDC and Pennsylvania Department of Health. We would also advise you to consult your chartering organization for their guidance. They may have different guidance for local unit activities.

Since the beginning of the COVID-19 global pandemic we have had ever changing guidelines and recommendations. We will continue to monitor the recommendations made by the CDC and the Pennsylvania Department of Health. Should a change be needed, we will continue to evaluate our procedures while keeping the safety of our scouts, volunteers, and staff in mind.

Sincerely,

Matthew S. Adams  
Scout Executive/CEO  
Pennsylvania Dutch Council
