

2023 KLONDIKE DERBY

IRON FORGE DISTRICT – JANUARY 28, 2023

UNIT INFORMATION PACKET

The Iron Forge District's Klondike Derby will be held at the J. Edward Mack Scout Reservation on **January 28, 2023**. Troops/crews may camp overnight Friday, **January 27**, & Saturday night, **January 28**.

Each individual entering into camp must complete and turn in to their unit leader the "Pre-Event Medical Screening Checklist". A copy of this form is located at [680-102_PreEventChklist.pdf \(scouting.org\)](https://www.scouting.org/680-102_PreEventChklist.pdf)

We will NOT accept registrations after **January 20, 2023**, due to the planning and purchasing of food and supplies. If your registration and money are not in Tentaroo by 5:00 p.m., on January 20, 2023, your troop will not be participating in the Klondike Derby.

Volunteers are needed again to ensure we have a great event. Volunteers should report to the Head Mayor for the event they are volunteering for at the Mayors meeting to receive their assignment.

Three events will be taking place. Webelos Klondike Derby for Webelos and AOL dens; Scouts BSA Klondike Derby for Scouts BSA Troops; and Iron Will for Scouts who are 14 and have met First Class requirements and all Venturing Scouts.

Since we are looking forward to snow, BE PREPARED!!! It is unlikely that the Klondike Derby will be canceled or postponed due to weather conditions, but it may be canceled due to crisis circumstances. If a decision is made to cancel or modify the event, announcements will be made as soon as possible.

This packet contains all the details that you will need to prepare your Unit to participate in the greatest Iron Forge District Klondike Derby ever!

Your Klondike Derby committee hopes that all of you have a happy and safe experience! Your host & chairman, Jeff Sherk, can be reached at 717-821-4490.

REGISTRATION

Registration fee includes one patch, Saturday lunch, and a great program! Pay online through Tentaroo. **Please note, registration is not finalized until payment has been received.**

Registration deadline is 5:00 pm on Friday, January 20, 2023. Online registration is available this year at <http://padutchbsa.org/districts/iron-forge-district/iron-forge-activities/> Registrations will not be accepted after January 20, 2023.

DO NOT SEND THE UNIT ATTENDANCE SHEET WITH YOUR REGISTRATION FORM. You must, however, have the form when you check in at Camp Mack.

CHECK-IN

Upon arrival at Camp Mack, one leader should report to **Blair Lodge** to check-in for the whole group, but only after confirming that everyone is in camp, and that the names on your Unit Attendance Sheets are correct. Volunteers need to check in and pick up their assignments with Head Mayors at the Mayors meetings on Saturday morning.

Units that are check in Friday night should gather in the short-term camping area and set up their campsite as soon as they arrive. Campsites are on a first come, first serve basis.

Check-in for units camping on Friday & Saturday is from 6:00-9:00 p.m. on Friday night and Saturday only is 7:00-8:00 a.m. Saturday morning.

CAMPSITE COURTESY

Troops are asked to keep a reasonable distance between campsites. Quiet time will be observed between 11:00 P.M. and 6:30 A.M. The Scout Law and Oath is the standard for conduct.

HEALTH & SAFETY

Medical assistance will be available from Friday night until the closing ceremony Saturday. All injuries, no matter how slight, must be reported to the health officer located in **Blair Lodge** during the day, and at Dellinger Lodge Friday night. Radios will be available and will be given to stations at strategic points throughout camp, and can be used to call for help in an emergency. Blair Lodge and Esbenshade Lodge will be open as warm up shelters on Friday and Saturday. Lodges are not available for troops to sleep in.

PARKING

Primary parking areas are the main parking lot and the staff parking lot. Parking is not permitted along North Camp Road or any other road or trail except while loading and unloading at the short-term campsites, in which case the vehicles should park on the side of the road closest to the campsites so that the other side remains clear for emergency vehicles. Klondike Derby staff will direct overflow parking. There is a possibility that piles of snow in the lots may reduce parking considerably, therefore it is suggested that units travel to and from Camp Mack in the least number of vehicles possible. Please carpool! ***** ANY VEHICLE BLOCKING ACCESS TO A ROAD OR TRAIL WILL BE TOWED AT THE OWNER'S EXPENSE. *****

MEALS *** CHANGE IN MEAL PLANS *******

We are doing lunch differently this year. Because we are unable to cook and serve the meal, a bagged lunch containing a sandwich, chips, drink, and other items will be provided to all participants and staff. When you bring your roster to the camp office for registration, you will be getting a ticket for all your unit's lunches, that you will then pick up at the kitchen and take with you on the trail, and eat at an appropriate time. There will not be a designated lunch time or place. ***** UNITS ARE RESPONSIBLE FOR PROVIDING ALL THEIR OTHER MEALS DURING THE WEEKEND. *****

REQUIRED CLOTHING

The scout uniform is not needed for the Klondike Derby. Wear suitable undergarments for the weather, along with the appropriate layering system of outer winter protective clothing. It is highly recommended that participants carry along at least one extra pair of dry socks for a quick change on the trail. These should be carried in a zip lock bag or another waterproof container. Also recommended is a wool hat and gloves. Overnight campers need a sleeping bag rated for the temperatures expected and should have a change of clothes to sleep in. A poncho or rain suit is also highly recommended. Scouters and scouts who are found on the trail without the appropriate clothing will be escorted to a warm up station where they will remain for the rest of the event.

*****SNEAKERS MAY NOT BE WORN UNDER ANY CIRCUMSTANCE FOR THIS EVENT! NOT SCOUTS, NOT LEADERS, NOT ANYONE!*** VIOLATORS OF THIS RULE WILL BE ESCORTED TO A LODGE WHERE THEY WILL REMAIN UNTIL SOMEONE CAN TAKE THEM HOME. THIS MEANS EVERYBODY!**

EMERGENCY PHONE NUMBERS

Contact Jeff Sherk during daytime hours at 717-821-4490. After office hours call 717-626-5674. This is the Camp Ranger's private home number, and should be called only in the event of an emergency. Please do not call the ranger at home with questions on the Klondike Derby. These phone numbers are the ranger's and there is no guarantee they will be answered.

NOTICE: The Klondike Derby is only for scouts and their unit leaders. Only people registered for this event may participate in the Klondike Derby. This is vitally important for the safety of everyone, so that we will know at all times who is in camp.

TRADING POST

The Trading Post will be open this year from 7-10 AM, 11:30 AM-1 PM, and 3-5 PM on Saturday.

MAYOR'S MEETING & Volunteers

Leaders and other adults who have volunteered to serve as mayors/judges at an activity are asked to attend an orientation meeting from 7:45-8:10 A.M. in Blair Lodge for Scouts BSA event; 8:00-8:30 AM at the Training Center for Iron Will; and 8:30A.M. on the Dining Hall Porch for Webelos. Score sheets for the stations will be handed out at that time. Volunteers should have all equipment needed for their stations in place by the meeting time, preferably by Friday night.

JUDGING

The Klondike Derby emphasizes the patrol method for Scouts BSA/Webelos. Each of the Patrol Leaders will be responsible for the actions of his/her patrol. Patrols will be penalized for any patrol member wearing sneakers. Leaders and adults are prohibited from assisting in competition. Adult leaders may observe from a distance, but the patrol will lose points if adults are seen helping the patrol. Patrols receive points at each station based on teamwork & cooperation, leadership, task accomplishment and patrol spirit.

There are no certain dimensions or design restrictions on sleds. They should be practical and safe. It is a good idea to build them to accommodate wheels in case the ground is not covered by snow.

****A BASIC SLED DESIGN IS INCLUDED IN THIS PACKET****

Scouts BSA sled and flag judging will take place in front of the Dining Pavilion at 8:30 AM. Webelos sled and flag judging will take place in front of Dining Pavilion at 9:30 AM. Each patrol is responsible for completing the sled identification card found in this packet and placing it on the sled prior to judging. Unidentified sleds cannot be judged.

AWARDS AND RECOGNITION

All awards will be presented at the closing assembly in front of the Dining Pavilion. Unit award presentations will start sometime between 3:00-4:00 PM depending on completion of all stations.

First, Second and Third place awards will be presented to patrols/teams in each event for:

1. Overall score in competitive events
2. Patrol Flags
3. Patrol Sleds
4. Mayors Award
5. Sled Race

All participants and registered adults will receive a participation patch, which will be ordered and distributed after the event at a later date.

Units staying overnight Friday or Saturday may be eligible for the BSA 32 Degree Patch, depending, of course, on the weather. Unit leaders may purchase these patches at the Council store if their units are eligible.

WEBELOS and AOL KLONDIKE EVENT

Webelos and AOL dens will have at least eight stations that are intended to be fun and give the youth a taste of what lies ahead for them in Scouts BSA. No advance preparations are necessary. The Klondike Derby Committee will provide all materials required. The best thing a leader can do to prepare their adults and scouts for the Klondike Derby is to teach them how to dress for outdoor activities during cold weather. Dens traveling with or without sleds should carry extra clothing, especially socks in a zip lock bag, and rain gear. Dens are encouraged to carry their flag with them on the competition trails. **Webelos and AOL parents/guardians should accompany dens on the competitive trail, but should avoid getting involved in the activities.**

*New for this year; Webelos and AOL dens are **strongly encouraged** to bring their own tinder and kindling for the fire starting event. "Fire starters" such as rolled newspaper dipped in paraffin are not allowed. Tinder or kindling soaked in accelerants is not allowed. Some examples that are allowed are bags of wood shavings, dryer lint, strips of newspaper, and small, dry, sticks or twigs gathered at home.*

NOTICE: The Klondike Derby is only for Webelos, AOL Scouts, their parent/guardians, and their unit leaders. Only people registered for this event may participate in the Klondike Derby. This is vitally important for the safety of everyone so we know who is in camp at all times.

Anyone interested in helping with the Klondike Derby, please call Rick Freet at 717-304-8643
