

# Spark Plug Award Susquehanna District

Every unit has a person that provides the “spark” that keeps the Scouting program on track, whether or not they are serving in a registered position. The adult leadership of your unit may nominate one person each year to be recognized at the at the District Recognition Dinner by presenting them the ***Spark Plug Award***.

To help us in planning the dinner (and to make sure that we have enough awards available) we ask that you let us know in advance who you will be recognizing.

As the nominator, it is your responsibility to make sure that the person to whom you want to present the award is in attendance at the dinner. The award will be presented by District staff, so don't worry about preparing a presentation speech.
