PECATONICA RIVER POPCORN

WHITLEY'S
PEANUT FACTORY

WELCOME LETTER

Welcome Kernels,

To the 2023 Fall Product Sale! Whether you are a new Kernel or a veteran of the sale thank you for your dedication and commitment to continue to make this sale one of the main fundraisers for your unit and the Pennsylvania Dutch Council. The Fall Product Sale is extremely important to funding your unit's Scouting program. It is equally important to our council. We can fund and maintain camps, provide service to units, develop innovative programs, and much more. With your efforts our Scouts can excel and succeed.

2022 was a move in the right direction for the Fall Product Sale. Our Council goal was met, and we greatly appreciate your efforts!

We are in our 3rd year of partnering with Pecatonica River Popcorn and we continue to have a strong relationship. There are minor changes to the popcorn lineup. There are also a few products that will be available for consignment only for those units that sign up for Show and Sell.

Our long-term partnership with Whitley's Nuts continues to provide us with excellent products and customer service. We have a new representative, Jonathan Hewitson, due to the passing of Roger Sams who will be missed. Jonathan has big shoes to fill and has risen to the challenge. One change to note is that Whitley's is no longer offering online sales.

We will continue to work with New Birth of Freedom, Hawk Mountain, and the Chester County Councils. This makes our partnerships with our vendors even stronger and makes our operations more efficient.

Please take the time to review this Guidebook carefully. You will find highlights of the program for 2023, the products, selling techniques, prize options, and a calendar with all the important dates. Please also look at the Fall Product Sale tab on the PA Dutch Council website for additional resources.

We hope you have a great sale and an even better year in Scouting. If you would like to be involved in the decision-making process of the Fall Product Sale, we are looking for new members to assist. If you are interested or have any questions during the sale, please reach out to the members of the team and we will be happy to assist.

Thank you again for what you do and for your support of the 2023 Fall Product Sale.

LEARNING THROUGH FUNDRAISING

"It's not about selling popcorn and nuts, it's supporting Scouting." But what does that mean? How does it impact each individual Scout?

Scouting serves to help children become ethical adults who make good decisions. The Fall Product Sale serves a significant role in this mentorship. It's a learning activity designed to build important skills towards this goal.

ASSOCIATION WITH ADULTS

Kids can sometimes be shy or fearful around adults, even ones they know. Fundraising gives them the opportunity for exposure to adults of different ages. It provides time to practice communicating with adults. Through this exposure they build confidence that will help with future challenges – college essays, job interviews, and talking to a coworker or boss. It sounds like a simple interaction, but it's a way for them to overcome a tough barrier and learn how to navigate an adult-run world.

SALESMANSHIP AND ENTREPRENEURSHIP

Setting and reaching goals through action helps Scouts develop important business skills. They learn how to best represent themselves and persuade others. They also learn that rejection is just another step to success and that resilience and perseverance can build strength of character. They will gain tools to become a strong and respected team leader.

GROW AND SUSTAIN SCOUTING

Scouting is not just an activity, but also a future career path. The mission of the organization needs strong leader to carry the mentorship and impact forward into future generations. Everything they learn by participating prepares them to teach others what they know in Scouting or whatever future career they choose. The Fall Product Sale also brings Scouting to the attention of many others who may not be familiar with all that Scouting has to offer.

RANK ADVANCEMENT THROUGH FUNDRAISING

Cubs Scouts can earn pieces of Rank Advancement through the Fall Product Sale.

Team Tiger – The den can work together during a Show & Sell or Wagon Draggin'.

Stories in Shapes – Create a piece of art to advertise your sale.

Paws On The Path – Tell What the buddy system is and why you need to use it during the sale.

Finding Your Way – Draw a map of your neighborhood - use it while selling products to your neighbors.

Baloo The Builder – Build a useful item and a fun item that can be used during the sale.

Roaring Laughter – Use 2 and 3 to learn to speak in front of people. Practice and make it part of your ask.

Art Explosion – Create a piece of art advertising the sale and/or create an original logo/design to display.

Build It – Use 1, 2, and 3 to build something to use during the sale.

Scouts can use the Fall Product Sale to earn a Merit Badge.

Entrepreneurship

Personal Management

Salesmanship

Participating in the sale can help a Scout earn pieces of the following merit badges:

WAYS TO PARTICIPATE

DECIDE HOW YOUR UNIT WILL PARTICIPATE

As a part of the registration process, you will be asked how your unit plans to participate. Units have multiple options to participate in the sale. Units can use any method, but the most successful units use a combination of all the options below.

SHOW & SELL

Show & Sell is designed for units to set up at locations such as grocery stores, local events, retail stores, banks, etc.... where they can display and sell products directly. Lower dollar items like Caramel Corn sell well, but a broad selection of products normally increases your sales. Show & Sell successes are determined by location and the Scout's enthusiasm to share how they will benefit from the sale. Units may order up to 80% of their 2022 retail sales and must order full cases for Show & Sell. Any leftover product can and should be used to fill your Take Order sale or return it for credit. Units may keep products to hold additional Show & Sells after the Show & Sell portion of the sale, but any product not returned by Friday, October 13th is the responsibility of the unit and will need to be paid to the council.

Show and Sell product must be paid before October 31st. Your Take Order will not be approved until your unit has paid the Show & Sell invoice(s). *Any unit choosing to pay council via credit card will incur a 3% processing fee.*

DRAGGIN' WAGON (SHOW & DELIVER)

Product for Draggin' Wagon is ordered as part of the Show & Sell order. Using this method works by selecting a neighborhood and traveling door-to-door with the product. The customer can view, purchase, and get the product from the comfort of his/her home. Don't forget that these customers may also want to place an order via the sale sheets or online. Mention that different items are for sale on your sale sheet or give them your online sale information. For people who are not home or are unable to come to the door, use the door hanger supplied by Pecatonica River. Feel free to make copies of the door hangers to increase your neighborhood coverage.

DRIVE THROUGH SALES

Product for Drive Through Sales is also ordered as part of the Show & Sell order. This method is a relatively new concept for the PA Dutch Council. Find a large parking lot with street access, get permission to use it, then plan out the set up to move customers through the parking lot. Once the date has been set contact the council office with the details of your Drive Through. The council will post your event on the Council Facebook page to possibly increase your sales.

TAKE ORDER SALES

Very simply, this method of participation involves visiting your customers, taking orders on your sales sheets, collecting payment, then delivering the product to your customers. Don't forget a thank you note with each sale. A thank you note goes a long way to gather repeat customers.

ONLINE SALES (POPCORN ONLY)

This method of participation is available from August 1st – November 30th. Scouts set up an account under Pecatonica River for popcorn orders and create an online profile to share with friends and family members via e-mail, phone, or social media. Then the Scout invites them to visit his/her page where they can read about the Scout and his/her goals, order product, pay by credit card, and have the product delivered to the customer's home. If a Scout had an account last year, the Scout can update that account instead of setting up a new one. NOTE: *Whitley's no longer has an online store.*

Advantage: Allows Scouts to easily sell to friends and family who do not live locally.

COMMUNICATION WITH YOUR UNIT

COMMUNICATION IS KEY TO A SUCCESSFUL SALE

Communication with your unit is not once and done. You need to constantly remind leaders, parents, and Scouts of important dates and keep them knowledgeable about key information. Find different methods of communicating with your unit – printed reminders, face to face contact, information through emails, etc. Constant communication about the sale throughout the sale will impress upon your leaders, parents, and Scouts the importance of the Fall Product Sale. Be sure to share successes and praise the individual youth and dens for their accomplishments. Keep an open line of communication.

PUBLISH THE SALES DATE IN YOUR UNIT'S CALENDAR

One item to remember is that while planning your unit calendar for the fall, make sure you include the Fall Product Sale in those plans. Putting your sale dates into your unit calendar allows your parents and leaders to plan without conflict. Any Show and Sell dates that you have set up should be included as well as your unit kickoff, order deadlines, and distribution dates and of course your celebration.

Plan Show & Sell booths on weekends that are not already busy with campouts and weekend activities. Keeping the "Outing" in Scouting is important to the Scout program. However, you will want to plan as many Show & Sell, Wagon Draggin', and Drive Through sales as possible, since an average Show & Sell can generate about \$110.00 per hour. If during a weekend you have 3 Show & Sell locations that are each 4 hours long, your unit could earn over \$1320.00 in one weekend.

HAVE A UNIT KICKOFF

The Unit Kickoff is one of the most important parts of having a successful sale. Kickoffs should be scheduled for one of the unit's first meetings in August or September. Kickoffs can happen as soon as you have your sale forms or later in September if the unit is only going to participate in Take Order and/or Online Sale.

OBJECTIVES OF THE KICKOFF

1. Emphasize what the Scouts will receive for obtaining their goal; prizes, Scouting programs, camp, etc.
2. Educate parents so they know:
 - a. The purpose of the sale
 - b. How the money raised by the sale will be used
 - c. What the unit expects from the parents and the youth.
 - d. What is the "per-Scout goal"?(They will be much more interested when they know this information.)
2. **Get Scouts and families excited!** Consider using some of the Unit's commissions to offer additional incentives that your Scouts would enjoy. If you have selected the "No Prize Option" this will give you even more flexibility.

For some fun Kickoff ideas and for help in planning your unit's Kickoff, check out the following links on the Council website – "Your Fun-Raiser Kickoff" and "Fun Unit Kickoff Ideas".

HAVE A CELEBRATION

Be sure to have a celebration with your unit to recognize their efforts for the sale. Think about recognizing your top sellers. This is a great time to distribute any prizes earned through the Keller Marketing program. Be sure to share the results of your sale with everyone.

COMMISSION & PRIZE OPTIONS

Units have a choice to use the GCC/Keller Marketing incentive prize program or to opt out of the prize program to earn a higher commission.

OPTION 1 – The unit chooses to use the prize incentive option.

- The unit receives a base **commission of 31%** with the prize option.
- GCC/Keller Marketing offers a 14-level prize selection. The Scout chooses an incentive prize from the flyer based on the total popcorn and nut sales for the Scout. (Show & Sell + Take Order + Online)
- The unit representative orders the appropriate prizes through the Pecatonica River system. In addition to the incentive prizes offered by GCC/Keller Marketing, Pecatonica River offers Winner's Circle prizes for those Scouts who sell more than \$3,000.00 in popcorn. Winner's Circle prizes are based **solely on popcorn sales** (Show & Sell + Take Order + Online) and are ordered through the Pecatonica River system. Scouts can choose 1 Winner's Circle prize for each \$3,000.00 in popcorn sales.

Incentive prizes, patches, and pins qualifying for free freight will be delivered to the unit representative. Orders not qualifying for free freight will come to the council office and the unit representative will be contacted.

(\$25.00 freight will be charged if the items need to be delivered to the unit but does not qualify for free freight.)

Winner's Circle prizes will be delivered directly to the address indicated in the Winner's Circle order.

OPTION 2 – The unit chooses the no prize option.

- The unit receives a base **commission of 34%** with the no prize option.
- Pecatonica River offers Winner's Circle prizes for those Scouts who sell more than \$3,000.00. Winner's Circle prizes are based **solely on popcorn sales**. (See above for details) The Winner's Circle incentive includes Scouts of units who choose the no prize option.

ONLINE SALES COMMISSION (Applies to both options)

All online popcorn sales are under a different commission structure. Any sale placed online, regardless of the prize option, generates a **commission of 30%**.

MISCELLANEOUS AWARDS (Applies to both options) (Order through Pecatonica River System)

Patch – For any Scout who sold at least one item.

Military Pin – For any Scout who sells at least one Military Donation.

Top Salesmen Pin – For the top selling Scouts in your unit.

Online Sales Pin – For Scouts who have sold through online sales.

ADDED COMMISSION INCENTIVE (NEW FOR 2023!)

Additional commission awarded to units that meet **all 3** requirements.

- Based on Scout membership as of August 1, 2023, unit sales must average at least \$250.00 per registered Scout.
- 2023 sales must be at least 10% above 2022 **total** unit sales.
- All payment deadlines have been met.

Qualifying units will receive an additional 2% commission in the Unit's store account prior to December 31, 2023.

Example: Troop A's 5 Scouts sold \$2,000.00 in popcorn and nuts in 2022. This year they have 7 Scouts and sell \$2,600.00 in popcorn and nuts. They sold more than \$2,200.00 in product and they averaged \$371.00 per registered Scout. They will receive an extra 2% commission from the Council after all payments have been posted by the deadlines.

FIVE KEYS TO A SUCCESSFUL SALE

SET YOUR SALES GOALS

- **Dream Big!** Determine what it is your unit would like to do in Scouting for the year. What will be your **"Scouting Adventure"**, and how much will it cost?
- Set the overall sales goal to fund your Ideal Year of Scouting.
- Assign every Scout Family a "Scout Goal" so you can achieve your **"Scouting Adventure"** – example 15 containers or \$250.00 in sales.

CONDUCT A FUN AND EXCITING UNIT KICK-OFF

- Make it a fun-filled event!
- Share important dates and deadlines.
- Announce the overall goal, Scout Family goal and what activities your unit plans to do for the year.
- Do some role playing – Teach your Scouts a sales speech and have them practice it!

"Hi sir/ma'am, my name is _____, and I'm a Scout with Pack/Troop/Crew _____. We are trying to raise money to pay for _____. Won't you please help us by trying some of our delicious popcorn or nuts?"

COMMUNICATE WITH YOUR SCOUT FAMILIES

- Contact your Scout Families weekly throughout the sale.
- Share selling and safety tips.
- Share benefits Scouts receive through the sale: value of earning their own way, salesmanship skills, self-confidence, savings on out-of-pocket expenses, public speaking skills, how to manage money, how to set and achieve a goal.

USE UNIT INCENTIVES

- Be sure Scouts know about all prizes available through the prize program if your unit is participating.
- Offer your own incentives that will excite and motivate your sales force, THE SCOUTS!

PARTICIPATE IN ALL METHODS OF SELLING

Show & Sell Wagon Draggin' Drive Through
Take Order Online Sales

CREDIT CARD SALES OPTIONS

Because an increasing number of people do not carry cash, accepting credit card payments can increase your sales significantly. Many units have reported increased sales of more than \$5,000.00 when they accepted credit card payments.

Square readers work with the free Square Point of Sale app to allow someone to take payment on a smartphone or tablet. If your unit does not have credit card sales as an option, this is an easy, free way to make that happen. *Fast Setup – Free card reader & app – Load your inventory & track sales.* Visit square.com/i/PRPOPCORN2 to sign up.

NOTE: Any alternate form of collecting funds must be tied directly to the unit's bank account! Units may use any form of credit card payment already set up (Intuit, PayPal, Square, Venmo, etc.).

PA Dutch Council does not endorse any specific alternate payment system.

STAYING SAFE DURING SALES

POPCORN AND NUT SAFETY TIPS

- When selling popcorn and nuts in your neighborhood have an adult or a buddy with you.
- Never enter a stranger's house.
- Keep checks and cash in a separate envelope with your name on it.
- Always walk on the sidewalk whenever possible.
- Never sell at night.
- Always be courteous.

ADDITIONAL SAFETY TIPS

- When speaking to customers, keep a safe distance between you and them.
- You can laminate your order form and bring sanitizing wipes after sharing the form with each customer.
- If you do not laminate, you can hold the order form for them to view.
- The Scout or parent can fill out the vital information on the order form, or on the Pecatonica River App, as the customer shares the information.
- Utilize a credit card payment option so that you do not have to collect any money from your customer.

TIPS TO MAKE YOUR SALES POP!

Allow your Scouts to have input into the sale.

Have your Scouts practice a sales pitch!

Make the sales event fun.

Keep the subject of the pitch about a trip or camp or about personal accomplishment through the sale.

Sell Scouting and the product will sell itself.

Be professional and use your manners. Always say thank you.

Numbers matter – the more people you ask, the more product you sell.

Show & Sell, Wagon Draggin', Drive Through Sales all allow the customer to see the product.

Set up at a local university. College students love snacks!

Work on the Salesmanship Merit Badge during the popcorn sale.

Thank you notes go a long way to building repeat customers.

ONLINE SELLING TIPS & TRICKS

- Create a sense of urgency. After all, popcorn and nut season only comes around once a year! Countdowns to the last dates to order are a great motivator for driving sales. Use language that will encourage potential customers to buy from you right now.
- Make an impression. Use clear, eye-catching photos in your marketing materials. This may include pictures of the different popcorn and nuts you are selling, Scouts in uniform, or something tied to the sales goal.
- Highlight products. Share the top-selling products in your lineup! Do you have a new flavor available for purchase?
- Unit Seller ID. Consider creating a generic Seller ID for your unit. Utilize Facebook ads, neighborhood posters, etc. to promote sales in markets individual Scouts might not be able to reach.
- Door Hangers. Add your Seller ID information on each door hanger so customers can purchase and have the product delivered directly to their door!

Scouts who sell to other homes in their neighborhood tend to have the highest positive response from customers. This is the BEST way to sell popcorn
