

**Unit Recharter Pennsylvania Required Background Check Affirmation Statement**

I am aware and understand that all registered volunteers in my unit, regardless of position, are required to obtain and submit all state-mandated clearances (details of required clearances are available at <http://padutchbsa.org/act15/>). I am aware and understand that all new volunteers must complete their clearances to submit along with the BSA application before volunteer service begins.

By signing below and uploading this document as part of my recharter, I am affirming that:

- All of my registered leaders have a current Pennsylvania State Police Criminal History Clearance, Child Abuse History Clearance, and either a FBI Fingerprint Based Criminal History Clearance or the Pennsylvania Dutch Council Disclosure State Application for Volunteers on file.
- For any clearances expiring on or before 1/31/2022, new clearances have been uploaded with the recharter packet or submitted directly to the Pennsylvania Dutch Council.
- Any adult that does not have current clearances has been removed from the unit during recharter and have been informed that they may not resume volunteer service until they have submitted new clearances.
