## Safety Moment

# Digital Safety and Online Scouting Activities

- Follow all Youth Protection Policies
  - 2-Deep Leadership, No 1-on-1 contact
- Use business-oriented conference platforms (Zoom, Teams)
- Regularly review and implement security features
  - Use unique meeting IDs
  - Require password to join
  - Do not share invitations through publicly available channels
  - Use “waiting room” feature
  - Disable unused features (screen sharing by non-hosts, whiteboards, private chats)

# Susquehanna District Roundtable

- Do not record activities / meetings with youth participants
- Make adult participants aware of call recording
  - This notification is now automatic on most platforms
- Safeguard personal information of participants
  - If collecting personal information, advise participants how it will be used
  - Do not share any youth personal information, except with unit leaders (as needed for advancement) and with parents.
- Do not collect any information directly from youth under 13
  - Parental consent and notification required under COPPA
- Follow link below for more information and resources
