

# SUSQUEHANNA DISTRICT 2024 FALL OUTPOST

October 18-20, 2024

CAMP MACK

## Overview

The 2024 Susquehanna District Fall Outpost will be held at J. Edward Mack Scout Reservation on October 18-20, 2024. The event is designed for Cub Scouts and their parents. Troops and Crews will be helping to run the stations for the Cub Scouts. After the stations are finished for the day, all Scouts and participants will have the opportunity to participate in an afternoon program. Again, this year Webelos and Arrow of Light Scouts will have their own adventure trek to follow.

The main purpose of the Fall Outpost is to expose young scouts to activities in which they will participate throughout their years in scouting. Cub Scouts will participate in stations revolving around the theme of **Pirate Invasion**. This is also an opportunity for Cub Scouts to meet some of their outdoor requirements while having fun. Cubs also have an opportunity to engage with the older Scouts and for the older Scouts to practice leadership.

No matter how long you are staying, the price of attendance per person is:

- Cubs (youth and adults): \$20 per person
- Troops/Crews: \$12 per person
- Staff (Non-unit Volunteers): \$12 per person
- Extra patches: \$3 each

***Make sure to register through your unit Tentaroo account! You MUST register by 10/11/24 to ensure we can get the proper supplies.***

### **IMPORTANT INFORMATION WHEN REGISTERING:**

All Cub Scout youth attending must be registered in a class. This will allow us to adjust stations to accommodate various ages. Note that there is a separate trek for Webelos & AOL, if any of your youth in these grades wish to stay with your pack and not do the separate trek, please select the appropriate class. This year the W/AOL trek will include a hike.

- **Lion/Tiger Rank Class:** These should be Kindergarten and First Grader registered scouts and any (K/1 grade) siblings that are not registered scouts but attending.
- **Wolves/Bear Rank Class:** These should be Second and Third Grader registered scouts and any (2/3 grade) siblings that are not registered scouts but attending.
- **Webelos/AOL Rank STAYING WITH PACK Class:** These should be Fourth and Fifth Grader registered scouts and any (4/5 grade) siblings that are not registered scouts but attending. This class is for these youth to stay with the pack in the rotation schedule.
- **Webelos/AOL Rank PARTICIPATING IN SEPARATE TREK Class:** These should be Fourth and Fifth Grader registered scouts and any (4/5 grade) siblings that are not registered scouts but attending. This class is for these youth to do the separate Webelos trek. Note that there should be at least one adult from your pack with anyone attending, but that can be switched out if adult has multiple youth attending.

- **Older Siblings Class:** Sometimes we have older non-scout siblings attending. This class is for any siblings 6<sup>th</sup> grade and older attending that are not in a Troop.

Please verify that all of your currently registered Scouts and Leaders have renewed their membership if it expired in August or September. Any new youth should have their application submitted online or to the Council. Any adult acting in a leadership role and not just attending as a parent, should have completed the application process (note that this can take two weeks to process).

Uniforms are encouraged but not required. An event patch, all activities, and lunch on Saturday are included in the cost. The trading post will be open during the event.

Troops and Crews are welcome to arrive on Friday night, beginning at 6:00 PM. You must provide all camping equipment, as tents and cots have been removed from the campsites for the season. You may use any available space in your assigned campsite, however, please try to stay close to one another, as other units may be sharing your site with you. It is strongly suggested that you arrive **BEFORE DARK**. Arriving while it is still light will help with finding your site and setting up camp.

Packs will be checking in Saturday morning and are welcome to camp Saturday night. Each Pack will be partnered with a Troop or Troops in their campsite. **Webelos/AOLs and their adult Leader(s) are allowed to camp Friday night with a Troop.** Just a reminder that each unit is responsible for cleaning up their campsite and taking any trash to the dumpster.

### **Parking & Vehicles in the Campsites**

It is recommended that you carpool, as parking is limited. All vehicles **must** be parked in the main parking lot. This will be strictly enforced.

Parked vehicles must not block any roadways.

**For Friday night check in** you will be allowed to drive to the campsite to unload gear. Please try to consolidate into fewer vehicles. Unload, then remove the vehicle to the parking lot. No vehicles will be allowed in campsites. Unit trailers may remain in campsites.

**For campers arriving Saturday**, you will only be allowed to drop gear in the campsites prior to 9:30 AM (prior to the Flag Ceremony). **Unload, then remove the vehicle to the parking lot** – no vehicles are allowed in campsites. If you are not able to unload and move vehicle to parking lot before 9:30 AM, you will need to wait until 4:00 PM when event stations and program are completed.

### **Scouts BSA and Crew activities during the Fall Outpost**

Each year we ask the Troops/Crews to volunteer by running Cub stations at the fall event. We ask the Troops and Crews to sign up for their station through a Google doc that will be shared via email. Station specifics are outlined on the Google doc. This year **Den Chief Training** is going to be offered in the morning, see attached flyer for more information and how to sign up. Den Chief Training is a separate Tentaroo registration and cost.

## **IMPORTANT INFORMATION**

**Registration** – Registrations must be submitted **as a unit** on [padutch.tentaroo.com](http://padutch.tentaroo.com). This helps when assigning campsites and reduces the confusion when you sign in at camp. Please note if there are any late registrations, we will not be able to guarantee that an event sponsored lunch will be available.

**Proper Ratios** – The proper ratio for adults to Lion and Tiger Cubs is 1-1. The proper ratio for adults to all other Cub Scouts is 1-4. Please ensure that you always maintain these minimum ratios.

**Arrival –**

**If you have signs and symptoms of COVID-19 or other communicable illnesses, PLEASE stay home.**

If you are camping on Friday night, you may arrive any time after 6:00 PM. Check-in will be at the dining hall. Check-in is until 8:30 PM, if you plan to arrive after that time, please reach out to the District Executive. **YOU MUST HAVE PART A & B OF MEDICAL FORMS FOR ALL PERSONS ATTENDING!** The current BSA medical form can be found at <https://www.scouting.org/health-and-safety/ahmr/>. Unit leaders are to bring these to check in for verification but will be asked to keep them available if there is an incident during the weekend.

Registration materials will be given to the first adult from your unit to arrive at check-in. If families arrive later, they will need to find their group leader to get the materials. It is suggested that you have a way to contact your unit if you are not arriving as a group. Cell phone service is very limited.

**Saturday Pack Check In** – Check-in will be held at the Dining Hall porch. In the past, parents and cubs have arrived who did not know what pack they were in or who their leader was. **Packs must arrive as a group and it is suggested your unit gather at the main parking lot, then come to check in together.** If this is not possible, please be sure all your families know your pack number so that they can be directed to you. It might also be helpful to provide them with a cell phone number of the leader who will be at camp. **Leader checking in should have a copy of Parts A & B of Medical Form for ALL PERSONS ATTENDING** – this will be verified against roster at check in. Unit Leader will be asked to keep these available in the event of an incident.

**Campsite Assignments** – Campsites are assigned based on the number of registrants, as certain sites will hold more people than others. Please keep in mind that this is a large event - room is provided for everybody. Multiple units may be sharing each site. Please be courteous to other units. Also, the layout of the camp is such that you will be walking uphill at some point in time. Platforms can comfortably accommodate tents 8'x8'. Larger tents should be placed on the ground. When stations are taking place, please be aware of heavier foot traffic. No vehicles should be in movement while stations are switching, unless it is an emergency. Cabins will NOT be available for camping at this event.

For those using CPAPs, most sites have electric service available at the latrine, but you will need to provide your own extension cord. Please include CPAP need in Tentaroo registration.

**Event Headquarters** – Camp Headquarters will be in the dining hall.

**Meals** – Lunch on Saturday will be provided for all participants and staff. Units camping are responsible for all other meals. **If you have someone with dietary restrictions (vegan, dairy free, gluten free, etc), make sure that those are listed in their Tentaroo registration.**

**Rotations** – Groups and rotations are planned based on the number of registrants. It is understood that certain stations may be more popular than others, and that is considered during the planning. Please stay in your assigned groups and rotations, which will assist with a smoother flow. Your assignments will be in the packet your leader receives at check in.

**Clothing** – Ensure that your scouts are prepared for the weather, including rain, cold, and wind. For those who are camping, proper sleeping bags and clothing make a great difference in comfort. Just a reminder that jeans and other cotton clothing are not recommended in wet weather. Remember – this is camping!

**Restrooms** – The main restrooms and shower house will be available for the entire weekend. Adults should be familiar with the principles found in Youth Protection Training, especially regarding the use of the restrooms. At no time are adults permitted in a restroom with a scout; therefore, the restrooms are clearly marked with “Male Youth,” “Male Adults”, “Female Youth” and “Female Adults.” The rest rooms by the main parking area and latrines are designated as individual use. Please respect these designations.

**Day Pack** – Each participant should have a day pack with a full reusable water bottle.

**Buddy System** – The buddy system must always be utilized. Please review this with your scouts before arriving at camp.

**Siren** – There will not be a siren drill. **If the siren sounds, an emergency exists. Everyone in camp must report to the Dining Hall.**

**Alcohol** – **Alcohol is strictly prohibited.** Those found with alcohol will be asked to leave the camp immediately.

**Smoking and vaping** – Smoking or vaping is not permitted within view of the scouts. The only designated area in camp is behind the kitchen (near the main pavilion). Anyone found smoking or vaping outside of the designated area will be asked to leave the camp immediately.

**Electronic Devices** – Scouts should not bring cell phones or electronic devices to camp. Adults should not use their phones in view of the scouts.

**Campfires at Sites**- Campfire rings are provided at the sites and you are more than welcome to enjoy a fire at your campsite, please remember to use extreme caution when building a fire and not to use accelerants and watch for the safety of small children. Don't forget to bring your fire buckets! **Fires must be attended by an adult at all times, and must be completely extinguished before leaving the site. No liquid fuels are permitted in camp.**

## **EMERGENCIES**

In the event of a camp-wide emergency, we will activate the siren. **EVERYONE IN CAMP MUST REPORT TO THE DINING HALL** if the siren sounds.

There will be medical personnel in camp on Saturday during the event. If you have a medical emergency, please contact a staff member immediately.

Course Dates: **Saturday, October 12, 2024** or **Saturday, October 19, 2024 during Fall Event for each District**  
Location: **Camp Mack Training Center**  
Time: **Registration: 8:00 AM Course: 8:30 AM – 12:00 PM (noon)**  
Cost: **\$0 for In-Council members, \$25 for Out-of-Council members, includes book, resource kit, and cord**

A Den Chief is a youth in Scouts BSA or Venturing assisting a Cub Scout den. Den Chiefs hold a leadership position in both their home unit and in the den and pack. At the conclusion of this training, participants should be able to:

- 1) Describe the role and responsibilities of the Den Chief as a leader in the pack and the den as well as in their troop or crew.
- 2) Describe the Den Chief's relationship to the adult leaders and how that relates to the Den Chief's activities with the den.

This training is designed to explain the roles and responsibilities but also provide concrete examples that will allow the new (or even experienced) Den Chief to have fun and be successful. The training will provide many suggestions to ensure a smooth start and continuing success for all Den Chiefs.

Participants should bring a COPY of parts A & B of their BSA Medical Form with them.  
Field uniform ("Class A") is appropriate attire.

**Please do the online training prior to attending. The training is found at the following link:**  
**<https://filestore.scouting.org/filestore/training/den-chief-training/>**

***You will have fun, learn about resources, gain confidence, and become a better leader.***

The course director will share additional information with you shortly before the course - probably by email. If you have not heard from that person by the Wednesday before the course, please contact them.
