 2. Den Leader
 3. Fundraising Committee
 4. Help organize and run Blue/Gold
 5. Cubmaster if just starting a new pack
- Leaders and Cubmaster help the parents with getting their clearances and completing Youth Protection Training.
 - Try having a parent help run a single activity or game to get their feet wet and maybe be more interested in a leadership position later on. Set them up for success.
 - Always talk to the parent and not their scout when communicating opportunities for adult involvement.
 - Have them go on outings and campouts to let them see what Scouting is all about.
