Spring 2025 Fundraiser

Item "I" Stargazer Lilies

A. Good Luck Shamrocks

Deep purple markings in the center of this plant highlight where the leaves meet and create a stunning contrast. Atop the extraordinary foliage, clusters of rosy-pink blooms open in the summer and can stay into the fall. Plant 1-2" deep and 3" apart in full sun to partial shade. Moderate to low water needed.

Spring Planting, Bloom: summer to fall, Ht: 8-12"

24 Bulbs \$13.00   

B. Everbearing Strawberries

The best available virus-free strawberry plants. Large, red, juicy berries in the spring and throughout the summer. These are top performers and will yield firm berries with excellent flavor.

Spring Planting, Bloom: Spring and Summer, Ht: 10"

8 Plants \$13.00 

C. Harlequin Flowers

Colorful trumpet-shaped blooms or orange, pink, red and white with contrasting black-shaped throats! Plant 2-3" deep and 4" apart in average, well-drained soil. These bulbs need full sun to partial shade for best results.

Spring Planting, Bloom: Early to Mid Summer, Ht: 10-12"

12 Bulbs \$13.00   

D. Spring Allium Mix

Hard working and easy to grow! These pleasingly fragrant blooms make great varieties for bees and butterflies, while at the same time are rodent and deer resistant. Plant 2-3" apart and 2-3" deep in well-drained soil in full sun to partial shade.

Spring Planting, Bloom: June-July, Ht: 10-16"

24 Bulbs \$13.00   

E. Anemone St. Brigid

Striking, double or semi-double blooms, available in a mix of colors like red, blue, pink, white, and purple. Their delicate, fern-like foliage complements the vibrant flowers, making them a popular choice for garden borders, cut flower arrangements, and naturalized settings. These low-maintenance flowers are ideal for attracting bees and butterflies. Plant 2-3" deep and 4-6" apart in well-drained soil and full sun.

Spring Planting, Bloom: 10-12 weeks after planting, Ht: 12-14"

10 Bulbs \$13.00   

F. Four O'Clock

Afternoon-opening blooms in a wide range of vivid colors. The trumpet-shaped flowers emit a pleasant subtle vanilla fragrance that hummingbirds and butterflies adore. Plant 4-6" deep and 18-24" apart in full sun in well-drained soil.

Spring Planting, Bloom: July-September, Ht: 36-48"

3 Bulbs \$13.00  

G. Spectacular Gladiolus

Stately blooms in a dazzling multi-colored assortment. Plant 6-9" apart and 3" deep in well-drained soil and in full sun or shaded areas for best results. If soil is dry, add water and fertilize.

Spring Planting, Bloom: 90 days After Planting, Ht: 4-5'

10 Bulbs \$13.00   

H. Crocosmia Mix

Our orange, red and yellow trumpet-shaped flowers will attract pollinators such as hummingbirds and butterflies. They thrive in full sun and open in succession from the bottom up like gladiolus. They have sword-shaped foliage which adds an attractive vertical element to any garden. Plant 3" deep and 4" apart with pointed ends facing UP.

Spring Planting, Bloom: June-August
Ht: 3-4'

10 Bulbs \$13.00  

I. Stargazer Lilies

Pink to crimson, with white edges and dark spots on these beautiful blooms. Plant in full sun to partial shade. This plant prefers well-drained soil but will tolerate heavier soils. Plant 6" deep and 9-12" apart.

Spring Planting, Bloom: July-September, Ht: 25-30"

2 Bulbs \$13.00   

J. Pink Rain Lilies

These bulbs will produce an abundance of charming, large pink flowers for an incredibly long period of time, June through September. Perfect to use as groundcover or with a rock garden. Plant 4" deep and 6" apart.

Spring Planting, Bloom: Mid to Late Summer (3-5 days after a rain shower), Ht: 6-12"

10 Bulbs \$13.00  

K. Variegated Hosta

The variegated varieties need more sunlight to keep their white and golden stripes. All hostas need shade and few will do well in strong, direct sunlight. Plant in a hole about twice the width and depth of the root ball of the plant.

Spring Planting, Bloom: Late Summer, Ht: 18-32"

1 Plant \$13.00   

L. Elf Lilies

Naturally low-growing. Great for pots, planters or borders. You will love these easy-to-grow flowers! Plant 4" deep and 6" apart in full to partial sun and in well-drained soil.

Spring Planting, Bloom: July-September, Ht: 16"

2 Bulbs \$13.00   

M. Ranunculus Mix

Lovely mix of colors will bloom from these mixed corms. They are perfect for borders, beds, containers and cut flowers. Plant 4-6" apart and 2" deep in full to partial sun. Water well in drained-soil and maintain average moisture.

Spring Planting, Bloom: June-August, Ht: 12-24"

8 Bulbs \$13.00   

N. Lavender Astilbe

Plumes of rich, delicate, feathery flowers adorned with lush, attractive foliage. Easy to grow and dependable, this can be planted in medium shaded, well-drained soil. Plant with the roots pointing downward and slightly fanned so the "eyes" approximately 1" below the soil level. Space 12" apart and water periodically.

Spring Planting, Bloom: June-August, Ht: 18-24"

1 Plant \$13.00   

O. Blazing Stars

Very attractive rosy-purple spiked flower. Stem covered with grass-like foliage of dark green. Grows well in poor soil. Perfect for tall borders. Excellent for cut flowers. Plant 5" deep and 6" apart.

Spring Planting, Bloom: August-September, Ht: 4-5'

12 Bulbs \$13.00   

P. Peacock Orchid

This annual holds onto summer with a sweet-scented late bloomer. Elegant, creamy-white 4" flowers with a prominent purple center atop sturdy stem. Plant 3-5" deep and 3-6" apart in full sun and keep well-drained soil moist. Easy to grow!

Spring Planting, Bloom: July-October, Ht: 24-36"

18 Bulbs \$13.00  

Q. Baboon Flower Mix

Baboon Flowers produce clusters of showy, trumpet-shaped flowers in striking shades of purple, pink, and white. Compact and low-growing, perfect for rock gardens, borders, or container planting. Plant 2-3" deep and 2-4" apart in well-drained soil. Full sun is preferred but light shade is recommended for hotter climates.

Spring planting, Bloom 10-12 weeks after planting, Ht: 8-12"

10 Bulbs \$13.00  

R. Bleeding Hearts

A romantic favorite from Victorian gardens with arching branches with rows of delicate pink heart-shaped flowers. Extremely vigorous. Plant in partial shade and in moist, well-drained soil.

Spring Planting, Bloom: Spring, Ht: 1-3' tall, 2-3' wide

1 Plant \$13.00  

Selling Tips

Together, we can **color** the world one bulb at a time!

Reach Out to Everyone You Know

- Think about your friends, family, neighbors, and coworkers who love gardening or adding color to their yards.
- Share why you are fundraising—people want to help when they know the reason! Are you raising money for new playground equipment, a trip, or uniforms?
- Use social media! Post before and during your fundraiser to remind people to support your group. Include a method for them to support you, call you, message you, email you...

Show Off the Brochure

- Share beautiful pictures of the flowers to get people excited!
- Use the QR code in the brochure to show even more pictures of flowers on the Dutch Mill Bulbs Fundraising website.
- Share with your customers that the bulbs come from Holland, so they know they're getting top-quality flowers!
