New Items

Item "E" Anemone St. Brigid

Item "Q" Baboon Flower Mix

BROCHURE FOR SPRING 2025 – ALL PERENNIALS

G. Spectacular Gladiolus

Stately blooms in a dazzling multi-colored assortment. Plant 6-9" apart and 3" deep in well-drained soil and in full sun or shaded areas for best results. If soil is dry, add water and fertilize.

Spring Planting, Bloom: 90 days After Planting, Ht: 4-5'

10 Bulbs \$13.00   

H. Crocosmia Mix

Our orange, red and yellow trumpet-shaped flowers will attract pollinators such as hummingbirds and butterflies. They thrive in full sun and open in succession from the bottom up like gladiolus. They have sword-shaped foliage which adds an attractive vertical element to any garden. Plant 3" deep and 4" apart with pointed ends facing UP.

Spring Planting, Bloom: June-August Ht: 3-4'

10 Bulbs \$13.00  

I. Stargazer Lilies

Pink to crimson, with white edges and dark spots on these beautiful blooms. Plant in full sun to partial shade. This plant prefers well-drained soil but will tolerate heavier soils. Plant 6" deep and 9-12" apart.

Spring Planting, Bloom: July-September, Ht: 25-30"

2 Bulbs \$13.00   

M. Ranunculus Mix

Lovely mix of colors will bloom from these mixed corms. They are perfect for borders, beds, containers and cut flowers. Plant 4-6" apart and 2" deep in full to partial sun. Water well in drained-soil and maintain average moisture.

Spring Planting, Bloom: June-August, Ht: 12-24"

8 Bulbs \$13.00   

N. Lavender Astilbe

Plumes of rich, delicate, feathery flowers adorned with lush, attractive foliage. Easy to grow and dependable, this can be planted in medium shaded, well-drained soil. Plant with the roots pointing downward and slightly fanned so the "eyes" approximately 1" below the soil level. Space 12" apart and water periodically.

Spring Planting, Bloom: June-August, Ht: 18-24"

1 Plant \$13.00   

O. Blazing Stars

Very attractive rosy-purple spiked flower. Stem covered with grass-like foliage of dark green. Grows well in poor soil. Perfect for tall borders. Excellent for cut flowers. Plant 5" deep and 6" apart.

Spring Planting, Bloom: August-September, Ht: 4-5'

12 Bulbs \$13.00   

J. Pink Rain Lilies

These bulbs will produce an abundance of charming, large pink flowers for an incredibly long period of time, June through September. Perfect to use as groundcover or with a rock garden. Plant 4" deep and 6" apart.

Spring Planting, Bloom: Mid to Late Summer (3-5 days after a rain shower), Ht: 6-12"

10 Bulbs \$13.00  

K. Variegated Hosta

The variegated varieties need more sunlight to keep their white and golden stripes. All hostas need shade and few will do well in strong, direct sunlight. Plant in a hole about twice the width and depth of the root ball of the plant.

Spring Planting, Bloom: Late Summer, Ht: 18-32"

1 Plant \$13.00   

L. Elf Lilies

Naturally low-growing. Great for pots, planters or borders. You will love these easy-to-grow flowers! Plant 4" deep and 6" apart in full to partial sun and in well-drained soil.

Spring Planting, Bloom: July-September, Ht: 16"

2 Bulbs \$13.00   

P. Peacock Orchid

This annual holds onto summer with a sweet-scented late bloomer. Elegant, creamy-white 4" flowers with a prominent purple center atop sturdy stem. Plant 3-5" deep and 3-6" apart in full sun and keep well-drained soil moist. Easy to grow!

Spring Planting, Bloom: July-October, Ht: 24-36"

18 Bulbs \$13.00  

Q. Baboon Flower Mix

Baboon Flowers produce clusters of showy, trumpet-shaped flowers in striking shades of purple, pink, and white. Compact and low-growing, perfect for rock gardens, borders, or container planting. Plant 2-3" deep and 2-4" apart in well-drained soil. Full sun is preferred but light shade is recommended for hotter climates.

Spring planting, Bloom 10-12 weeks after planting, Ht: 8-12"

10 Bulbs \$13.00  

R. Bleeding Hearts

A romantic favorite from Victorian gardens with arching branches with rows of delicate pink heart-shaped flowers. Extremely vigorous. Plant in partial shade and in moist, well-drained soil.

Spring Planting, Bloom: Spring, Ht: 1-3' tall, 2-3' wide

1 Plant \$13.00  

18 TYPES OF BULBS OFFERED

all priced at \$13 per package

Help Your Scout Earn Money For Camp

Sell Spring Planting/Summer Flowering Bulbs!

The Spring Product Sale is designed to help Scouts earn their way to summer camp, day camp, a BSA high adventure base, or raise money for the unit's outdoor program. This year, we have decided to sell spring planting/summer flowering bulbs from Dutch Mill Bulbs as a "take order" only sale. Units participating in this program earn 25% commission from each product sold. The remainder of the funds will benefit the programs of the Pennsylvania Dutch Council, BSA.

Each bulb set is priced at \$13 and there will be at least 18 types of bulb packages to choose from! These make great gifts for Mother's Day, Father's

Resources Coming Soon To The Council Website

- **2025 Spring Product Sale Unit Sign-Up/Registration Link**
