*You will have the opportunity to work towards 1-5 merit badges at the college. All merit badges will have prerequisites that need to be completed BEFORE the day of the college. Even though there is a charge for the college, there is no guarantee that you will complete the merit badge- a partial completion is acceptable, but it is up to the scout to find a counselor to complete the work. Each scout must complete each requirement as written. Classes are being led by certified merit badge counselors.
