### **What is the most important word in the Scout Law**

What is the most important word in the Scout Law?

Ask for some guesses.

Trustworthy? NO.

Helpful? NO.

Reverant? NO.

(After a few guesses...)

Let me tell you. The most important word in the scout law is "IS".

The Scout Law doesn't say a Scout 'might be', or 'may be' or 'could be' or 'should be' - it says a Scout IS. That means the basic character of a Scout includes those characteristics.

Go be Scouts, Scouts.
