Charting the Course for Our Youth

Every day, Scouting helps young people in Lancaster and Lebanon Counties discover courage, character, and a sense of purpose. They learn to solve problems, support one another, try new adventures, and grow into leaders who strengthen our communities.

This year's **Charting the Course** initiative shares the impact of Scouting and invites families, alumni, and friends to help ensure every child—regardless of circumstance—has access to a safe, high-quality program.

Your support fuels:

- Strong units and trained leaders
- Strong, vibrant camps at Bashore and Mack
- ScoutReach programs that open doors for underserved youth
- Program development that helps Scouts build skills and confidence

When you give, you are not just supporting Scouting—you are helping a young person chart their own course toward a brighter future.

For Every Scout. For Every Family. For our Future.
