

Membership Application

Pennsylvania Dutch Council Chapter of the National Eagle Scout Association

Dedicated to promoting Scouting in the Pennsylvania Dutch Council; providing opportunities for fellowship among Eagle Scouts in Lancaster and Lebanon Counties; and enhancing community awareness of the leadership roles played by Eagle Scouts.

Only those who have been granted the Eagle Scout Award by, and who are members in good standing with, Scouting America may hold membership in the Pennsylvania Dutch Council Chapter of the National Eagle Scout Association. Membership is open to all Eagle Scouts who received their award in the Pennsylvania Dutch Council or received their award elsewhere and presently live in Lancaster County or Lebanon County.

Goals of the NESA Chapter

- Facilitate networking opportunities for Eagle Scouts: “Gathering of Eagles” events including dinners, breakfasts, social activities and camp gatherings to mention a few.
- Review annual applications for the Adams National Eagle Scout Service Project of the Year Award and identify and nominate adults for the Outstanding Eagle Scout Award and the Distinguished Eagle Scout Award.
- Encourage Eagle Scouts to apply for NESA scholarships and awards, promote the benefits of being an Eagle Scout, and encourage all Eagle Scouts to become members of NESA.
- Support annual council recognition events for new Eagle Scouts by coordination with the council activities committee and becoming involved with the annual Eagle Scout recognition dinner for young men who have received the Eagle Award the previous year.
- Assure that all adult Eagles have an opportunity to be involved in Scouting, either as a volunteer, or by creating opportunities for adults to support scouting in other ways. We want to be sure to leverage the benefits and experience Eagle Scouts have received from their Scouting experiences.
