Frequently Asked Questions

Q: How does my unit sign up?

A: Use the QR Code on the front of this form or visit:

<https://www.emailmeform.com/builder/form/i3Ljdnbm00kz0eT16>

Q: How much work is this for unit leaders?

A: This is a leader-friendly sale. Units pass out order forms, encourage Scouts to participate, collect forms at the end of the sale, and submit the individual sales sheets and summary sheet with final payment. Orders will come presorted by Scout, so when orders arrive leaders just have to hand them out to their selling Scouts. Prizes will be included with the Scout's individual order.

Q: How do online sales work?

A: Scouts will be provided an online sales instruction sheet. Customers can either get free shipping, which means the order is placed online BUT THE SCOUT DELIVERS the order or customers can pay for shipping and have the product shipped directly to them.
